

Errata

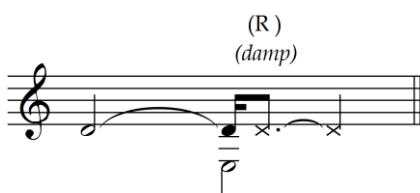

[applies only to copies purchased before Nov. 13, 2016]

Despite a considerable amount of proof-reading, three of the over 900 musical examples contained in *Classical Guitar Technique from Foundation to Virtuosity* didn't make it into the initial printing of Part 2.

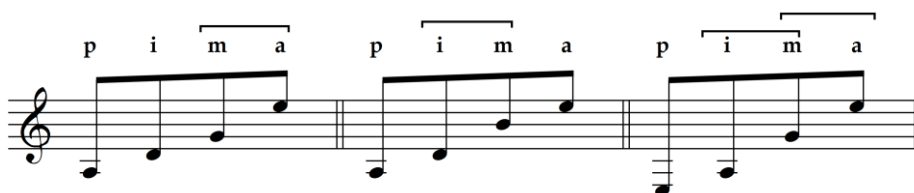

Here they are:

Part 2

p49 — missing example of non-adjacent higher-string thumb damping (item 3):

p68 — disjunct string assignments example should be as follows:

p222 — example of short sliding-shifts:
