Introduction to Part 2.....	13
The Right Hand	
Introduction	17
1 Refinement of Sound	
31 Free Stroke Sound.....	19
Objective Qualities of Sound · Developing Free-Stroke Volume · Developing a Melodic Free-Stroke Sound · Increasing Joint Activation During the Stroke · Rest Stroke / Free Stroke Combination Stroke · Abridged Rest Stroke · Hyperextension of the Tip Joint · Hand Position and Arm Movement · Conclusion · Practice Routine	
32 Dynamics.....	25
The Default Dynamic Level— <i>mezzo forte, piano</i> and <i>forte</i> · Accentuation · Gradual Change · Practice Routine and Contextualization	
33 Tone-Color Contrasts	29
Plucking Points Along the String · Angle of Attack · Repertoire · Practice Routine	
34 Melodic Tone Versus Accompaniment Tone	34
Three-Layer Texture—Further Modification of the Hand-Position	
35 Voicing Block Chords.....	37
Contextualization	
36 The Thumb.....	40
A Further Word About Thumbnail Shape · Rest Stroke With the Thumb · Rest-Stroke Thumb With Free-Stroke Fingers · Thumb Sweeps	
37 Hand Position—Timbre, Volume, or Velocity?.....	44
A Word About the Larger Joints · Summary of Adjustments to the Right-Hand Position and Their Functions	
38 Damping.....	48
Damping with the Thumb · Damping with the Fingers · Silencing all Six Strings · Dealing With Sympathetic Vibration · Practice Routine and Contextualization	
39 Rasgueado.....	52
Single-Finger Strumming · Adding the Thumb · Adding ami and cami · Rasgueado With <i>Golpe</i> and <i>Tambora</i> · Historical Strummed Ornaments · Continuous (Flamenco) amii and camii Rasgueado camii · Practice Routine and Contextualization	
40 Artificial Harmonics	58

2 Advanced Arpeggio Technique

41 Independence Patterns	61
am Independence Patterns · Practice Routine and Contextualization	
42 Further Useful Arpeggio Patterns.....	63
Simultaneous Thumb-Finger Patterns · Fingers-Only Patterns with Independent Thumb Parts · 19th-Century Alberti-Style Patterns · Practice Routine and Contextualization	
43 Further Arpeggio Practice Methods.....	66
Isolating · Melodic Arpeggiation · Thumb Mobility · Shifting Between String Sets · String Sharing · Rotation · Disjunct String Assignments · Further Contextualization · Exploring the Internal Rhythm · Practice Routine	
44 Virtuosity.....	70
Volume Fingerings · Velocity Fingerings · Unusual (but useful) String Assignments · Right-Hand Glissando Patterns · The Right-Hand Little Finger (c)	
45 Advanced Repertoire Excerpts	74
Villa-Lobos · Tárrega-Alard · Aguado · Regondi · Mertz · Llobet · Pujol · Repertoire Suggestions	

3 Tremolo

46 Refinement	78
Rhythm · Metronome Practice · Practice Routine	
47 Further Development	80
Developing the Thumb · Moving the Fingers Between the Strings · Practice Routine	
48 Agogic and Dynamic Inflexion	82
Rubato and Phrasing · Adding a Performance Context · Further Observations	
49 Advanced Tremolos (Virtuosity).....	84
Five-Note Flamenco Tremolo · Three-Note Continuous Tremolo · Four- and Eight- Note Continuous Tremolo · Double (Interlocking Tremolo) · Tremolando · Single- Finger (<i>dedillo</i>) and Thumb-Only Tremolo · ‘Brush’ Tremolo · ‘Non-Guitaristic’ Tremolo · Contextualization	
50 Historical Survey and Repertoire.....	89
Dowland · Vidal · Doisy · Mertz · Regondi · Arcas · Tárrega · Terzi · Foden · Rak · Recommended Repertoire	

4 Cross-String Ornaments

51 Right-Hand Glissando.....	94
52 Fully-Fingered Ornaments	96
Contextualization	

53 Longer Ornaments	100
Long Trills · Three-String Ornaments—Slides and Trills with Turned Endings · Cross -String /Slurred Combinations	

54 Historical Survey and Repertoire	102
The Late Baroque and Galant Periods · The Early Romantic Period · Andrei Sychra's Ornaments for the Russian Seven-String Guitar	

5 Advanced Alternation (Scale) Technique

55 Rest-Stroke Alternation and String Crossing	105
Hand Position and Finger Curvature · Stroke Preparation and Legato · Correcting Awkward String Crossings · Practice Routine and Contextualization	
56 Developing Rest-Stroke Alternation Speed	110
57 Free Stroke / Rest Stroke Mixture	110
Practice Routine	
58 Maximizing Velocity	112
Maximizing Raw Alternation Speed · Modifying the Hand Position	
59 String Crossing at Speed	114
Practice Routine and Contextualization	
60 Correcting Awkward String Crossings at Speed	118
String Crossing Correction Formulas at Speed · Scale Practice Methods · Practice Routine and Contextualization	
61 Velocity Fingerings (Virtuosity).....	123
Assessing Personal Physiology · Practice Routine	
62 Application.....	126
<i>ai—ia, pi—pm, pim—pmi, ami</i> · The Role of the Left Hand · Practice Regimen and Contextualization

The Left Hand

Introduction.....	137
-------------------	-----

1 Independence and Coordination

63 Further Control of the Fourth Finger	139
Practice Routine	
64 Further Melodic Independence and Coordination Exercises	141
Weak-Finger Patterns · Practice Routine · Continued Development and Long-Term Maintenance	
65 Independence Between the Hands	144
Practice Routine	
66 The Left Hand in Fast Scales.....	146
Left-Hand Finger Action · Coordination Between the Hands · Tracking Individual Left-Hand Fingers · Further Practice Methods · Dealing With Slurs	
67 More Fixed-Position Scale Practice.....	150
Deriving Scale-Types · Practice Routine	
68 Further Intervallic Independence and Coordination Exercises	153
Practice Routine	
69 Chromatic-Octaves Exercises	156
Practice Routine	

2 Advanced Slur Technique

70 Further Slur Technique	160
Developing the Weaker (Less Independent) Fingers · Further Compound Slurs (Ornaments · Extended Trills and Mordents · Turns) · Practice Routine	
71 Gymnastic Slur Exercises.....	164
Fixed-Finger Exercises · Other Four-Finger Exercises · Practice Routine	
72 Miscellaneous Slur Techniques.....	168
Descending Slurs with Adjacent-Sounding Strings · Echo Slurs · Delayed Slurs · Expressive Slurring (versus Technical Slurring) · Unique Slurred Textures · Practicing Slurs in Pieces · Contextualization and Maintenance (Repertoire)	

3 Advanced Shifting

73 Further Position Shifting (Legato and Reliability)	172
Longer Shifts · More About Guide Fingers · The Role of the Arm · Compound Shifts · Left-Hand Anticipation · Legato Shifting · Sliding Versus Leaping	
74 Chromatic Single-String Scales	180
Practice Routine	

75 Shifting Between Difficult Chord Forms	181
Shifting in Arpeggio Textures · Shifting to Difficult Chords · Practicing Very Difficult Shifts · Minimizing Left-Hand Tension in Difficult Passages	
76 Shifting Along the Lower-Strings (Eliminating Extraneous Noise).....	186

4 Other

77 Glissando.....	188
Glissé · Slide · Arrastre · Legato Arrastre	
78 Left-Hand Harmonics	191
Positions and Intervals · Scordatura · Multiphonics · Notation · Contextualization	
79 Left-Hand Reach (Extension)	198
Extended Chord Forms · Extended-Position Scale Fingerings · Playing Above the Twelfth Fret	
80 Vibrato	201
Standard Vibrato Technique (Arm Vibrato) · Vertical (Finger) Vibrato · Intonation · Musical Application—Stylistic Matters · Avoiding Habitual Vibrato · Practice Routine and Contextualization	
81 Left-Hand Damping	207
Practice Routine	

Appendices

1 Special Effects	211
Pizzicato · Percussion · String Whistle · Tapping · Multiphonics	
2 Right-Hand Fingering Guidelines	218
Two Right-Hand Systems · The Two Agile Fingers p and i · The Independent Finger Pair im · Alternation and String-Crossing · Damping · The Left Hand · Conclusion	
3 Left-Hand Fingering Guidelines	221
Stylistic Matters	
4 Technical Approach to Learning New Repertoire	224
Determining Practice Segments · Determining Optimal Fingerings · Working On A Short Practice Segment · Speeding-Up and Developing Longer Segments · Unfamiliar Movement Forms	
5 Iconic Method Books and Study Sets.....	227
Carulli · Sychra · Sor · Giuliani · Aguado · Legnani · Carcassi · Regondi · Tárrega · Roch · Sagreras · Pujol · Villa-Lobos · Carlevaro · Dodgson-Quine · Brouwer · Gilardino	
6 Practice Grids.....	232
